

# Road Maintenance in Your Area

## Carriageway Surface Preparation

## A256 Eastry Bypass, Eastry

### When we plan to carry out the work and how long it will take

This is to inform you that as part of the on-going maintenance and improvement of the highway network, Kent County Council will be carrying out patching repair work to the carriageway of the **A256 Eastry Bypass, Eastry** between the junctions of **Northbourne Road and Sandwich Road**.

These road surface improvement works are programmed to start on the **28<sup>th</sup> June 2022** and should take **1 night** to complete. These activities will be undertaken during a **working window** between the hours of **20.00 – 05.00**

This type of work can be affected by bad weather, so if it is not possible for us to carry it out at this time, we will arrange a new date and let you know via a letter drop to your home. We will also put up signs along the road, before we start, showing the date we plan to start work.

During these essential works it will be necessary to close the road completely so that we can carry out the works safely for both the workforce and road users. During this closure, a signed diversion route will be in place for **light traffic only** through Eastry, via Lower Street and Sandwich Road (vice versa)

Buses and HGV's will be escorted through the works when safe to do so, delays should be expected and we will try to keep this to a minimum.

### What we plan to do

Safety critical road defects will be repaired via joint sealing and removing the damaged road surface, and then reinstating in tarmac. Reinstatements will then be laid to profile and compacted to the level of the existing road surface. Road Studs (Cats Eyes) will also be removed in preparation for surfacing works programmed for July 2022

### How you can help

It is inevitable that residents and businesses near the works will experience some disruption, but we will try to keep these to a minimum. Any pavements will remain open at all times, but vehicle access to properties will need to be restricted for a short period while work is carried out in front of each property. If you have any particular access needs, please let the workforce on site know.

We need your help to make sure the work is done as quickly as possible and to the best possible quality.

### How to contact us

If you need more information, you can visit our website [www.kent.gov.uk/resurfacingupdates](http://www.kent.gov.uk/resurfacingupdates) to view our programme & updates, to find out how we look after the roads throughout Kent or report any faults you find on our roads. You can also view our diversion/permit details at [www.one.network](http://www.one.network). Alternatively, you can call us on **03000 41 81 81**.

***For your safety and the safety of our workforce, please drive carefully and slowly through the roadworks.***

### WARNING – Beware Bogus Callers

Kent County Council Highways, Transportation and Waste do not allow works to be carried out on private properties. If anyone says they are working for us or our specialist contractors and offer to carry out any work for cash, they should be treated with caution. We advise you to contact Citizen's Advice on 03444 111 444 (Monday to Friday 9.00am to 5.00pm)
