

# Kent Community Warden Service Review

## Public Consultation

## Have your say!

The financial challenges KCC face, mean we are having to consider savings across a whole range of services.

Our wardens work with communities and partners in lots of different ways - from supporting scam victims, helping communities affected by flooding, reducing social isolation and loneliness and helping residents to navigate care and support services.

To make savings we are proposing to:

- Redesign the service, ensuring there is a core Community Warden presence across the county, with teams covering two districts.
- Retain the remit and community-based way the service currently works but cover fewer communities.
- Use data and information to identify where to place wardens for most impact.
